

2649 East Mulberry 18/19 Fort Collins, CO 80524

Date: 04/21/2014

We recently had Brad in to do a seminar in our church. We would most closely identify with a non denominational church as a part of the grace movement. Brad was simply amazing. Before the weekend was even over, the people were asking when he would be returning. The ministry, theology, and method in which Brad operates is second to none and causes people to have a deeper focus on the person of Jesus Christ, something we simply cannot get enough of.
